CHAIRMAN'S REVIEW

I present to you the 27th Annual Report of the performance of the company for the year ended June 30, 2018.

This year again your company could not start operational activity, impacting our bottom line adversely. The management is aware of the challenges and continues its efforts. The new Government if it commits to its plan to bring the Country out of the energy crisis then this will give rise to opening of our operation and provide ample opportunity for the company's growth.

The Companies' Board of Directors approved to made financial statement on Realizable value/ settlement amounts. Realizable value of the assets taken as the forced value ascertained by the independent valuer. The main reason to state the assets of the company to present true and fair view of its financial statements on realizable amount is to follow the order of SECP dated September 12, 2017. . Although the management of the company considers the company is a going concern, rather, the management of the company determined to revive the project after removing the hurdles and will continue in operation as soon as we will get viable power source. As an alternate, we are exploring option of resuming production using Liquefied Petroleum Gas (LPG). Currently our technical team is working on this plan to assess the modification that might be required in order to start production using LPG.

The management is committed to restart operational activities as soon as Gas or any Economical power solution is made available in the Winder Industrial Estate, which is expected by next year after the new Government doing / implementing changes fully.

The year 2017 - 2018 depicted a positive trend for Pakistan with improvement in the security environment, low inflation and expected investment from China in the Country - (CPEC). The inflation is continuing on its downward trajectory. State Bank of Pakistan has reduced the interest rate which will give a boost to the investment climate. However, fundamental reforms will be needed to fully overcome Pakistan's chronic energy crisis, the Government still faces challenges in narrowing the fiscal deficit and building sustainable foreign currency inflows.

The SECP is continuously implementing regulatory changes to further regulate the industry.

I would like to thank company's valued customers, suppliers and shareholders for their continued trust and appreciate the efforts of all employees for working in difficult conditions.

Nizam A. Hashwani
Chairman

Karachi: October 04, 2018

Performance Review

Your company having no operational activity has sustained a net loss after tax of Rs.56,526,394 for the year ended June 30, 2018, as per details below:

As per decision of the Board of Directors decided to made financial statement on Realizable value/ settlement amounts. Realizable value of the assets taken as the forced value ascertained by the independent valuer M/S K G Trader (Pvt) Limited as on June 30, 2018 by in their revaluation report. The main reason to state the assets of the company to present true and fair view of its financial statements on realizable amount is to follow the order of SECP dated September 12, 2017. Although the management of the company considers the company is a going concern, rather, the management of the company determined to revive the project after removing the hurdles and will continue in operation as soon as we will get viable power source. In this reference a short related note has already been mentioned in note number 1.2, 2 & 3 in financial statement

The management of the Company is constantly reviewing situation to explore options for availability of energy to resume operations. Our detailed business plan was based on the fact that we will be able to secure smooth supply of natural gas but unfortunately our demand were not catered by the Government. As an alternate, we are exploring option of resuming production using Liquefied Petroleum Gas (LPG). The management expects that LPG may be available for production to the company. Currently our technical team is working on this plan to assess the modification that might be required in order to start production using LPG. In this reference a short related note has already been mentioned in note number 15.1 in financial statement for the year ended 30 June 2018

Your directors are struggling to run the company to provide job opportunities to the local upon restart of its factory provided energy viable resources are made available by the Government.

Human Resource developments

We invest in cultivating and motivating our employees and train them to face market challenges effectively. We provide necessary on job training to employees so that they acquire knowledge and skills needed to accomplish their tasks efficiently. Department Heads impart training to employees / officers.

INDEPENDENT AUDITOR'S REVIEW REPORT TO THE MEMBERS OF LANMDARK SPINNING INDUSTRIES LIMITED

Review Report on the Statement of Compliance contained in Listed Companies (Code of Corporate Governance) Regulations, 2017

We have reviewed the enclosed Statement of Compliance with the Listed Companies (Code of Corporate Governance) Regulations, 2017 (the Regulations) prepared by the Board of Directors of Landmark Spinning Industries Limited for the year ended June 30, 2018 in accordance with the requirements of regulation 40 of the Regulations.

The responsibility for compliance with the Regulations is that of the Board of Directors of the Company. Our responsibility is to review whether the Statement of Compliance reflects the status of the Company's compliance with the provisions of the Regulations and report if it does not and to highlight any non-compliance with the requirements of the Regulations. A review is limited primarily to inquiries of the Company's personnel and review of various documents prepared by the Company to comply with the Regulations.

As a part of our audit of the financial statements we are required to obtain an understanding of the accounting and internal control systems sufficient to plan the audit and develop an effective audit approach. We are not required to consider whether the Board of Directors' statement on internal control covers all risks and controls or to form an opinion on the effectiveness of such internal controls, the Company's corporate governance procedures and risks.

The Regulations require the Company to place before the Audit Committee, and upon recommendation of the Audit Committee, place before the Board of Directors for their review and approval, its related party transactions and also ensure compliance with the requirements of section 208 of the Companies Act, 2017. We are only required and have ensured compliance of this requirement to the extent of the approval of the related party transactions by the Board of Directors upon recommendation of the Audit Committee. We have not carried out procedures to assess and determine the Company's process for identification of related parties and that whether the related party transactions were undertaken at arm's length price or not.

Based on our review, nothing has come to our attention which causes us to believe that the Statement of Compliance does not appropriately reflect the Company's compliance, in all material respects, with the requirements contained in the Regulations as applicable to the Company for the year ended June 30, 2018.

In our opinion and to the best of our information and according to the explanations given to us, the statement of financial position, the statement of profit or loss and other comprehensive income, the statement of changes in equity and the statement of cash flows together with the notes forming part thereof conform with the accounting and reporting standards as applicable in Pakistan and give the information required by the Companies Act, 2017 (XIX of 2017), in the manner so required and respectively give a true and fair view of the state of the Company's affairs as at June 30, 2018 and of the Loss and other comprehensive loss, the changes in equity and its cash flows for the year then ended.

Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs) as applicable in Pakistan. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants as adopted by the Institute of Chartered Accountants of Pakistan (the Code) and we have fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter

We draw attention to Note 2 and 3 of the financial statements, which describes that the company has prepared Financial Statements on Realizable Value/ settlement amounts, the company has taken Forced Sales value ascertained by M/s KG Traders (Private) Limited as Realizable value of the Assets as fully disclosed in note 7 and 7.3 to the financial Statements. Our opinion is not modified in respect of this matter.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current year. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. Following are the Key Audit Matters:

S.No.	Key Audit Matters	How the matter was addressed in our audit
1.	<p>Companies Act 2017 As stated in note 3.1 to the annexed financial statements, the fourth schedule to the Companies Act, 2017 became applicable to the Company for the first time for the preparation of these annexed financial statements. The Companies Act, 2017 has also brought certain changes with regard to preparation and presentation of the annual financial statements of the Company.</p> <p>As part of this transition to the requirements, the management performed a gap analysis to identify differences between the previous financial reporting framework and the current financial reporting framework and as a result certain changes were made in the Company's annexed financial statements which are included in notes 6.14, 6.14.1, 7.2, 7.7, 18.3, 20, 25, 27(iii) and 27(iv) to the annexed financial statements.</p> <p>In view of the extensive impacts in the annexed financial statements due to first time application of the fourth schedule to the Companies Act, 2017, we considered it as a key audit matter.</p>	<p>We reviewed and understood the requirements of the fourth schedule to the Companies Act, 2017. Our audit procedures included the following:</p> <ul style="list-style-type: none">• Considered the management's process to identify the additional disclosures required in the Company's annexed financial statements.• Obtained relevant underlying supports for the additional disclosures and assessed their appropriateness for the sufficient audit evidence.• Verified on test basis the supporting evidence for the additional disclosures and ensured appropriateness of the disclosures made.

S.No.	Key Audit Matters	How the matter was addressed in our audit

Information Other than the Financial Statements and Auditor's Report Thereon
Management is responsible for the other information. The other information comprises the information included in the annual report, but does not include the financial statements and our auditor's reports thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Board of Directors for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the accounting and reporting standards as applicable in Pakistan and the requirements of the Companies Act, 2017 (XIX of 2017) and for such internal control as management determines is necessary to enable the preparation of the financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. The Board of directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs as applicable in Pakistan will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs as applicable in Pakistan, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

o Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

• Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.

o Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

• Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

• Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation. We communicate with the board of directors regarding, among other matters, the planned scope and timing of the audit and significant audit finding. Including any significant deficiencies in internal control that we identify during our audit. We also provide the board of directors with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with the board of directors, we determine those matters that were of most significance in the audit of the financial statements of the current year and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

Based on our audit, we further report that in our opinion:

(a) proper books of account have been kept by the Company as required by the Companies Act, 2017 (XIX of 2017);
(b) the statement of financial position, the statement of profit or loss and other comprehensive income, the statement of changes in equity and the statement of cash flows together with the notes thereon have been drawn up in conformity with the Companies Act, 2017 (XIX of 2017) and are in agreement with the books of account and returns;

(c) investments made, expenditure incurred and guarantees extended during the year were for the purpose of the Company's business; and

(d) No Zakat was deductible at source under the Zakat and Ushr Ordinance, 1980 (XVIII of 1980).

The engagement partner on the audit resulting in this independent auditor's report is Mohammad Ghalib.

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED JUNE 30, 2018****1. Corporate Information**

Landmark Spinning Industries Limited (the Company) was incorporated in Pakistan, as a private Limited Company on October 21, 1991 and was converted into a public limited company on April 30, 1992 under the Companies Ordinance, 1984 (Repealed with the enactment of the Companies Act, 2017 on May 30, 2017) and its shares are listed on Pakistan Stock Exchange Limited. The Principal activity of the Company is trading, manufacturing and sale of yarn.

The geographical Location and address of the company's business units, including mill/plant are as under:

The registered office of the company is located at 1st floor, Cotton Exchange Building, 11 Chundrigar Road, Karachi, Pakistan; while its manufacturing facilities are located at Plot No. C-1, Winder Industrial Estate Sector "c" District Lesbella, Baluchistan, Pakistan.

- 1.1 The company commenced its commercial operation, from 2001 after reactivation of plant which remained idle for the seven years. However, the company again suspended its production on November 29, 2002 to forestall the recurring losses on account of electricity breakdowns and frequent Load shedding, stop gap arrangement was made to suspend operations for the time being until the market trends becomes conducive for positive results. The management feels that immediately upon the utility provision of gas supplies to winder Baluchistan industrial zone by S.S.G.C. Limited, which is in progress the same is also disclosed in note 15.1 to the financial statements also.

1.2 Summary of significant events and transactions in the current reporting period

The Company's financial position and performance was particularly affected by the following events and transactions during the reporting period:

During the year the company's Board of Directors decided to made Financial Statements on Realizable value / settlement amounts. Realizable Value of the assets taken as the forced sales value ascertained by the independent valuer KG Traders (Private) Limited as on June 30, 2018 in their revaluation report.

The Company remain not in operation during the year as disclosed in note 1, 2 and 23 to the financial statements.

During the year the company obtained loan from related party to meet the Working Capital Requirement due financial Crunch faced by the company as long term loan due to company not in operations as disclosed in note 13 to the financial Statements. Further, the Related parties loans are restated on Settlement amounts as disclosed in note 13 to the financial Statements due to Company has made their Financial Statements on realizable amounts as disclosed in note 2 to the financial Statements.

The accounting policy for surplus on revaluation of property, plant and equipment were changed during the year. Consequently, some of the amounts reported in the prior years have been restated due to Change Companies Act 2017. (For detailed information about these adjustments please refer to note 6.14.1.)

2 Basis of Preparation

During the year the Board has decided the financial Statements to be prepared on the realizable value Assumption (Assets are valued at Forced Sales Value Determined by the independent valuer) as disclosed in note 8.3. and Liabilities are stated at their Settlement amounts, unless an accounting policy herein states otherwise. The financial statements, except for the Land, Building and Plant and Machinery which are stated at revalued / Force Sales value amounts as decided by the management to prepare accounts on non going concern basis as fully disclosed in note 3 to the financial Statements. Up to the last year the accounts has been Prepared on the historical Cost Basis.

3 Non Going Concern Assumption

After taking Effects of the accounts are prepared on non going concern basis/ realizable values and Settlements amounts, the Company has incurred a net loss, after tax, of Rs. 56,526,395, during the year ended June 30, 2018, and as of that date it has accumulated losses of Rs. 229,375,809 and its current liabilities exceeded its current assets by Rs. 187,271. Further, as mentioned in Note 1 and 23 the operation of the Company are, and have been in recession for a considerable period of time. During the period under review the production remain suspended owing to non availability of viable power supply and lack of infrastructure facilities at Winder Industrial Area.

However, as directed by Securities and Exchange Commission of Pakistan in their order dated September 12, 2017 the company has prepared accounts on the basis of non-going concern instead of using going concern assumption for preparation accounts. The assets have been reported at the approximate realizable values and the liabilities have been reported at their settlement amounts. The difference between carrying amounts of the Assets and Realizable Values has adjusted in respective surplus on revaluation of Property Plant and equipment. The difference between the amounts of liabilities and respective settlement amounts have been taken to Profit and Loss accounts. Consequently the company has prepared accounts on non going concern assumption and the assets and liabilities are stated at their realizable and settlement amount respectively. However, the management's assessment that the entity would continue to operate as going concern. In the absence of any market for second hand industry and company's willingness not to windup the company the valuation of Realizable Value is considered as Forced Sales value valued by the Independent valuer. The management is hopeful that once the gas or viable energy is available to the company it can start its commercial operations. The plant and machinery is being kept in operating condition as the company is spending significant amount on up-keeping the plant in operational condition. Suffice is to say that the management of the Company have shown serious intention to continue to find ways & means to remain it a going concern.

The management of the Company is constantly reviewing situation to explore options for availability of energy to resume operations. Our detailed business plan as submitted with SECP office was based on the fact that we will be able to secure smooth supply of natural gas but unfortunately the requisite viable power supply are not catered by the Authority. As an alternate, we are exploring option of resuming production using Liquefied Petroleum Gas (LPG). Further, the directors are making sincere efforts to keep the company in operational conditions by making investment from the associated companies for their commitment to continue support to the Company in order to maintain sustainability of the Company, paying back all outside liabilities including bank loans from their own resources and maintaining positive attitude. This is clearly stated managements' bona fide intent to protect the minority shareholders from suffering 100% loss on their investment in shares

3. Statement of Compliance

These financial statements have been prepared in accordance with the accounting and reporting standards as applicable in Pakistan. The accounting and reporting standards applicable in Pakistan comprise of:

International Financial Reporting Standard issued by the International Accounting Standards Board (IASB) as notified under the Companies Act, 2017; and

5 Significant Accounting Judgments, Estimates and Assumption

The preparation of financial statements in conformity with approved accounting standards requires the use of certain critical accounting estimates. It also requires management to exercise its judgment in the process of applying the Company's accounting policies. Estimates and judgments are continually evaluated and are based on historic experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances. Revisions to accounting estimates are recognized in the period in which the estimate is revised and in any future periods affected. In the process of applying the Company's accounting policies, management has made the following estimates and judgments which are significant to the financial statements:

In the process of applying the accounting policies, management has made the following estimates and judgments which are significant to the financial statements:

5.1 Property, plant and equipment

Up to the Last year the company Estimates with respect to residual values and depreciable lives and pattern of flow of economic benefits are based on the recommendation of technical team of the Company. Further, the Company reviews the value of the assets for possible impairment on an annual basis. Any change in the estimates in future years might affect the carrying amounts of the respective items of tangible fixed assets with a corresponding affect on the depreciation charge and impairment. During the year the Company has Changed the Estimation of Assets Residual Value at Realizable Value as determined by independent valuer as disclosed in note 8.2 to the financial Statements as Forced Sales value of the Land, Building and Plant and Machinery

5.2 Taxation

In making the estimates for income taxes payable by the Company, the management considers applicable tax laws and the decisions of appellate authorities on certain cases issued in past. Deferred tax assets are recognized for all unused tax losses and credits to the extent that it is probable that taxable profit will be available against which such losses and credits can be utilized. Significant management judgment is required to determine the amount of deferred tax assets that can be recognized, based upon the likely timing and level of future taxable profits together with future tax planning strategies.

5.3 Stock-in-trade

The Company reviews the Net Realizable Value (NRV) of stock-in-trade to assess any diminution in the respective carrying values.

5.4 Provision for doubtful receivables

A provision for impairment of trade and other receivables is established when there is objective evidence that the company will not be able to collect all amounts due according to the original terms of receivables. These estimates and underlying assumptions are reviewed on an ongoing basis.

5.5 Contingencies

The assessment of the contingencies inherently involves the exercise of significant judgment as the out come of the future events cannot be predicted with certainty. The company, based on the availability of the latest information, estimates at the value of contingent assets and liabilities which may differ on the occurrence/non occurrence of the uncertain future events.

6 Summary of Significant Accounting Policies

6.1 Trade and Other Payables

Liabilities for trade and other amounts payable are carried at cost, which is fair value of the consideration to be paid in the future for the goods or services so received whether billed to the Company or not.

6.2 Taxation

Current Year

Provision in respect of current year's taxation is based on the method of taxation prescribed under the Income Tax Ordinance, 2001, whereby taxable income is determined and tax charged at the current rates of taxation after taking into account tax credits and rebates available, if any, or the minimum tax liability determined under Section 113 of the Income Tax Ordinance, 2001, or Alternate Corporate Tax whichever is higher and tax paid on final tax regime basis. Alternate Corporate Tax is calculated in accordance with the provisions of Section 113C of Income Tax Ordinance, whichever is higher.

Deferred

The Company accounts for deferred taxation on all material timing differences between the tax base and accounting base of an asset or a liability. However, deferred tax is not provided if it can be established with reasonable certainty that these differences would not crystallize in the foreseeable future.

6.3 Property, Plant and Equipment

Initial recognition

All items of property, plant and equipment are initially recorded at cost.

Subsequent measurement

Items of property, plant and equipment other than land, buildings, leasehold improvements and capital work in progress are measured at cost less accumulated depreciation and impairment loss (if any).

Land, buildings and leasehold improvements are measured at the revalued amount less accumulated depreciation and impairment loss (if any).

Capital work in progress is stated at cost less impairment loss (if any).

Revaluation

Any revaluation increase arising on the revaluation of land, buildings and leasehold improvements is recognized in other comprehensive income and presented as a separate component of equity as "Revaluation surplus on property, plant and equipment", except to the extent that it reverses a revaluation decrease for the same asset previously recognized in profit or loss, in which case the increase is credited to profit or loss to the extent of the decrease previously charged. Any decrease in carrying amount arising on the revaluation of land, buildings and leasehold improvements is charged to profit or loss to the extent that it exceeds the balance, if any, held in the revaluation surplus on property, plant and equipment relating to a previous revaluation of that asset. The revaluation reserve is not available for distribution to the Company's shareholders. The surplus on revaluation buildings and leasehold improvements to the extent of incremental depreciation charged (net of deferred tax) is transferred to unappropriated profit.

During the year the Company changed its accounting policy in respect of the accounting and presentation of revaluation surplus on property, plant and equipment. Previously, the Company's accounting policy was in accordance with the provisions of repealed Companies Ordinance, 1984. Those provisions and resultant previous policy of the company was not in alignment with the accounting treatment and presentation of revaluation surplus as prescribed in the IFRS. However, the Companies Act, 2017 has not specified any accounting treatment for revaluation surplus, accordingly the Company has changed the accounting policy and is now following the IFRS prescribed accounting treatment and presentation of revaluation surplus. The detailed information and impact of this change in policy is provided in note 7.21.2 below.

Depreciation

Full Years Depreciation is charged on acquisition or transfer of assets from capital work in progress, while no depreciation is charged on assets disposed off during the year. Depreciation is charged to income using reducing balance method, at the rates specified in the annexed schedule in note no. 8 to the financial statements, whereby the cost/revalued amounts of asset is written off over its estimated useful life, reflecting the approximate value of the consumption of the respective assets economic benefits. The depreciation method and useful lives of the items of property, plant and equipment are reviewed periodically and altered if circumstances or expectations have changed significantly

The property, plant and equipment acquired under finance leases is depreciated over the shorter of the useful life of the asset and the lease term.

Disposal

The gain or loss arising on disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amounts of the asset and is recognized as other income in the statement of profit or loss. In case of the sale or retirement of a revalued items, the attributable revaluation surplus remaining in the surplus on revaluation of such item is transferred directly to the unappropriated profit.

Judgment and estimates

The useful lives, residual values and depreciation method are reviewed on a regular basis. The effect of any changes in estimate is accounted for on a prospective basis.

-Repairs, renewals and maintenance

Major repairs and renewals are capitalized. Normal repairs and maintenance are charged as expense when incurred. Gains or losses on disposal or retirement of assets are determined as the difference between the sale proceeds and the carrying amounts of these assets, and are included in the income currently.

- 6.3.1. During the year the company prepare the Financial Statements on Non going concern Assumption and the Assets are valued at Realizable amounts (Forced Sales value as a realizable value of the Land, Building and Plant and Machinery ascertained by Independent Valuer M/s KG Traders (Private) Limited in Revaluation Report Dated June 30, 2018) as fully disclosed in note 2 and 3 to the financial Statements. Further for other assets the company has stopped to Charge the depreciation and taken as realizable value of June 30, 2017 Written down Value as a Realizable value of the other assets as disclosed in note 8.6 to the financial Statements and Management of the

Company feels when the same assets will dispose of the effect of loss and Profit will taken in the accounts therefore Charge of Depreciation is Discontinued and the Amounts are stated at Forced Sales Value and for other assets Written down value of June 30, 2017 of the assets.

Had the Financial Statements have been Prepared with Previous Policy to Charge the depreciation on Carrying amount of the assets the Accumulated Loss and Accumulated Depreciation will increased and Assets of the Company Would have been Decreased by Rs. 20,337,554. from the June 30, 2017 Written down Value.

6.4 Provisions

A provision is recognized in the balance sheet when the company has a legal or constructive obligation, and, as a result of past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation, and that a reliable estimate can be made for the amount of this obligation. However, Provisions are reviewed at each balance sheet date adjusted to reflect current best estimate.

6.5 Financial Instruments

Financial assets are initially measured at cost, which is the fair value of the consideration given and received respectively. These financial Assets and liabilities are subsequently premeasured to fair value, amortized cost or cost as the case may be. Any gain or loss on the recognition and de-recognition of the financial assets and liabilities is included in the profit and loss account for the period in which it arises.

All financial assets and liabilities are recognized at the time when the company becomes a party to the contractual provisions of the instrument. Financial Assets are recognized when the company losses control of the contractual rights that comprises the financial asset. Financial Liabilities are removed from the balance sheet when the obligation is extinguished, discharged, cancelled or expired.

Assets and liabilities that are not contractual in nature and that are created as a result of statutory requirements imposed by the government are not the financial instruments of the company.

6.6 Off Setting

Financial asset and financial liability is set off and the net amount is reported in the balance sheet if the company has a legal right to set off the transaction and also intends either to settle on a net basis or to realize the asset and settle the liability simultaneously. Corresponding income on assets and charge on liability is also offset.

6.7 Cash and Cash Equivalents

For the purpose of the cash flow statement, cash and cash equivalents comprise cash and bank balances.

6.8 Related Party Transactions

All transactions with related parties are carried out by the company at mark to market basis with the exception of loan taken from related parties which are interest/mark up free. Prices for these transactions are determined on the basis of admissible valuation methods.

6.9 Revenue Recognition

Revenue from Sales is recognized on dispatch of goods to customers.
Other Income is recognized on accrual Basis.

6.10 Retirement and termination benefits

The company does not operate any employee's benefits scheme.

6.11 Contingent Liability

A contingent liability is disclosed when the Company has a possible obligation as a result of past events, whose existence will be confirmed only by the occurrence or non-occurrence, of one or more uncertain future events not wholly within the control of the Company; or the Company has a present legal or constructive obligation that arises from past events, but it is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation, or the amount of the obligation cannot be measured with sufficient reliability.

6.12 Contingent Assets

A contingent asset is disclosed where in inflow of economic benefits is probable.

6.13 Dividend and Appropriation to reserves

Dividend and appropriation to reserve are recognized in the financial statements in the period in which these are approved.

6.14 Change in accounting policies

The Companies Act, 2017 has introduced changes to the accounting and reporting standards applicable to the medium-sized companies, which have been applied for the first time in these financial statements. The changes in the accounting and reporting standards have impacted the Company's accounting policies relating to the borrowings costs and revaluation surplus on property, plant and equipment. Accordingly, the accounting policies of the borrowings costs and revaluation surplus on property, plant and equipment have been changed and applied retrospectively in these financial statements to comply with the accounting and reporting standards applicable to the Company. The changes in accounting policies had a net impact of Rs. 62.235 million on total equity respectively, as at July 01, 2017. The resulted impact of change in accounting policy is further explained below:

6.14.1 Change in accounting policy of revaluation surplus on property, plant and equipment

On July 01, 2017 the Company changed its accounting policy for the revaluation surplus on property, plant and equipment, in accordance with requirements of the accounting and reporting standards as applicable in Pakistan under the Companies Act, 2017. Previously, the Company's accounting policy for surplus on revaluation of property, plant and equipment was in accordance with the provisions of section 235 of the repealed Companies Ordinance, 1984. Further, the revaluation surplus on property, plant and equipment was shown as a separate item below equity, in accordance with the presentation requirement of the repealed Companies Ordinance, 1984.

The Companies Act, 2017 has not retained the above mentioned specific accounting and presentation requirements of revaluation surplus on property, plant and equipment. Consequently, this impacted the Company's accounting policy for revaluation surplus on property, plant and equipment, and now the related accounting and presentation requirements in IFRS are being followed by the Company. The new accounting policy is explained under note 6.3, above. Further, the revaluation surplus on property, plant and equipment is now presented in the statement of financial position and statement of changes in equity as a capital reserve i.e. part of equity.

In these financial statements the above explained change in accounting policy has been accounted for retrospectively, with the restatement of the comparative information.

The effect of the change is recognition and presentation of Rs.45.83 million for revaluation surplus on property, plant and equipment as a capital reserve i.e. separate component of equity and derecognition of surplus on revaluation of property, plant and equipment of Rs. 45.83 million, previously presented below equity in the statement of financial position.

7.5. Up to the year ended June 30, 2015 the company has Not charged the Depreciation since 2002-2003 on Assets except a Hut on Sand spit (Lease Hold) and Vehicles has been charged during the period as their has been no production activity made during the period under review. Had the company charged depreciation on all the assets of the company the written down value of Fixed assets would have been reduced by Rs. 153,223,690 and consequently Accumulated losses of the company as of Balance sheet date would have been increased by Rs. 153,223,690 and also the company not considered the impact of depreciation on revaluation then written down value of Fixed assets (with out revaluation) would have been reduced by Rs. 94,979,417 and consequently Accumulated losses of the company as of Balance sheet date would have been increased by Rs. 94,979,417. From the year June 30, 2016 the company decided to Charge the depreciation on their assets. During the year the company has revalued its assets and the same amounts reflected as revaluation Surplus as on June 30, 2017 therefore the above effect of Non Charging of Depreciation has been mitigated in the value of same assets.

7.6. Other Assets

During the year the company made financial statements on realizable value as fully disclosed in note 2 to the financial Statements. The company taken values of Land , Building and Plant on the Forced Sale value valued by the Independent valuer M/s KG Traders (Private) Limited as Realizable Value as the Mangement of the company is not willing to sell the Factory (including Land , Building and Plant & Machinery) and there doesn't exist and established for the same, the Forced Sale Value has been taken as the Realizable Value of the assets, and For Other assets as disclosed in the Assets Schedule above on WDV of the June 30, 2017 taken as realizable value of the same Assets due to the Sales value of the other assets Cannot be determined reliably.
